

Quality Management Policy

WS Carpentry & Joinery Ltd is committed to:

- Providing our customers and clients with high quality installations and services which meet their exacting requirements and that the product or services are fit for purpose.
- Grow and develop the skills of all staff through the means of external training or in house training. The objective of this policy is the provide our clients with staff who are prepared to perform their work effectively.
- Promote a culture of quality by ensuring high quality control checks are in place and adhered to when delivering our services.
- Ensure the quality management system is implemented correctly by carrying out internal auditing and reviews of our procedures. Put in place the corrective measures where identified by review.

All staff are responsible for the quality within the company and for maintaining high standards.
